Story

One of the Yarra Valleys hidden gems, located in the burgeoning west-end food and drinks precinct of Healesville, Jayden Ong Winery & Cellar Bar is an impressive event space.

The 600-square-metre venue is a fully operational wine making facility by day, which creates a gorgeous backdrop for your next special event. A flexible space, adapted to consider your needs.

Winery & Cellar Bar will deliver an event unlike any other, whether it's an intimate group of 20 in our Cellar Bar or an entire winery takeover. For corporate events, showcases, weddings or parties, we will ensure your event is memorable and stress free from start to finish.

With years of hospitality experience, including co-founding one of Melbourne's contemporary culinary icons, Cumulus Inc., the service at Jayden Ong Winery & Cellar Bar surpasses expectation.

Winery & Cellar Bar is available to be booked exclusively every evening May - February for up to 150 guests.

"One of the coolest places in the Yarra Valley to enjoy a glass of wine is surprisingly in the centre of Healesville's industrial estate. Jayden Ong's Winery and Cellar Bar – with its barrel-lined walls and hanging floral installations – manages to feel intensely artisanal and considered despite the lack of valley views. Ong's decades in hospitality shine through in the warm, insightful service and the concise but informed range of local and international wines on offer..."

Food

A meal at Winery & Cellar Bar is an event in itself.

Our philosophy pays homage to the very best ingredients, cooked simply.

Sample life's uncomplicated luxuries: fresh sustainably fished seafood, pasture raised meat from local farmers, the first peas of spring pulled from the garden that morning. From the service to the produce, the magic is in the detail.

For cocktail events, select from a range of delicious canapés and plated dishes in the style of our Cellar Bar menu.

For seated lunches and dinners we offer a shared-feast menu in the family style of dining, perfect for creating a relaxed and intimate dining experience.

Build your menu from the following options, then elevate your guests experience by including impressive menu enhancements.
